Opening of Bids	31.10.2025 @ 3.10 PM

Any amendments to the above schedule are subject to the decision of the Executive Director, MSSDS

A. BACKGROUND

The Meghalaya State Skill Development Society (MSSDS) is implementing Skill Meghalaya; an initiative aimed at enhancing the employability and entrepreneurship potential of Meghalaya's youth. A key component of this initiative is to equip trained individuals with start-up tools to enable them to transition into self-employment and livelihood generation.

Findings from the IIM Impact Study and feedback from random quality checks with trainees indicate that while skill training imparts the necessary competencies, many trainees face significant challenges in translating their skills into sustainable self-employment. One of the primary barriers identified is the lack of access to essential tools and equipment, which limits their ability to effectively utilize their training. Providing start-up tools ensures that trainees can immediately apply their acquired skills, establish small businesses, and contribute to the local economy.

To facilitate this, MSSDS is inviting quotations from qualified suppliers, manufacturers, and authorized dealers for the supply of start-up tools for multiple trades. This Request for Quotation (RFQ) is intended to identify and engage reputed vendors who can ensure the timely and quality supply of tools that align with the skill sets imparted through the training programs. The selected vendors will be expected to meet the specified quality standards, provide necessary warranties, and ensure efficient delivery across designated locations.

Interested and eligible suppliers are invited to submit their quotations as per the terms and specifications outlined in this RFQ.

B. AIMS & OBJECTIVES

The goal is to ensure the provision of high-quality, durable tools that meet the specific needs of diverse skill sets.

C. SCOPE OF WORK:

The scope of this RFQ includes the following:

1. Supply of Tools and Equipment

- a. Provision of high-quality tools and equipment for various trades as specified by MSSDS at Appendix I.
- b. Tools must conform to industry standards and meet prescribed specifications.

2. Packaging and Delivery

- a. Each trade's tools and equipment will be packaged separately with clear labelling and branding as per the Skill Meghalaya initiative. Each

candidate will receive their tools and equipment in one or more dedicated packets, ensuring organized and secure packaging.

- b. The packaging will include the official Skill Meghalaya logo and design elements to ensure a uniform and professional appearance, reflecting the initiative's commitment to quality and distinction.
- c. Proper packaging to ensure tools reach the designated locations in optimal condition.
- d. Timely delivery to locations across Meghalaya as per the project requirements.

3. After-Sales Support

- a. Provide warranties and ensure availability of after-sales services for supplied items.
- b. Training or demonstration sessions (if required) for handling specialized tools.

D. TERMS AND CONDITIONS

1. Delivery and Packaging

1.1 Timely Delivery: The supplier must ensure delivery of tools and equipment to all designated locations across Meghalaya within the timeline agreed in the contract.

1.2 Packaging Standards: Each tool kit must be packaged as per the MSSDS branding guidelines, ensuring adequate protection against transit damage. Any damages during transit must be rectified by the supplier at no additional cost.

1.3 Delivery Locations: The Delivery Locations will be across various districts in Meghalaya. However, the detailed list of locations will be provided to the selected bidders upon contract award. (Since the delivery locations may impact the pricing, bidders are advised to consider state wide delivery while quoting their rates. In case of significant logistical variations, bidders may indicate separate transportation costs per district or provide a consolidated cost structure that accounts for statewide distribution).

1.4. Delivery schedules must align with project requirements, failing which penalties may apply.

2. Warranty and After-Sales Support

2.1 Warranty Period: A minimum warranty of one year must be provided for all tools and equipment supplied under the contract. Defective items must be replaced or repaired free of cost within the warranty period.

2.2 After-Sales Support: Suppliers must ensure availability of after-sales support, including technical assistance and spare parts for a minimum of three years after delivery.

3. Penalty Clause

3.1 Delayed Delivery:

- In the event of delay in delivery beyond the agreed timeline, a penalty of 0.5% of the total contract value will be charged per week, subject to a maximum of 10% of the contract value.
- MSSDS reserves the right to terminate the contract and forfeit the Earnest Money Deposit (EMD) if delays exceed 4 weeks without satisfactory justification.

3.2 Non-Compliance with Specifications:

- Tools and equipment not meeting the prescribed quality standards or specifications may be rejected, and replacement must be made within 10 days at the supplier's cost.
- Failure to replace non-compliant tools within the stipulated period will result in a penalty of up to 5% of the order value.

4. Performance Guarantee

4.1 Performance Security: The successful bidder shall submit a Performance Security equivalent to 5% of the total Purchase Order within seven (7) days of issue of the PO. This security will be held until 60 days post-completion of all contractual obligations, including the warranty period.

4.2 Breach of Contract: In case of non-performance or breach of contract, MSSDS reserves the right to invoke the Performance Security and take legal action as deemed necessary

5. Contract Validity and Renewal

5.1 Contract Period: The initial contract shall remain valid for a period of three years from the date of signing the agreement.

5.2 Renewal Clause: MSSDS reserves the right to renew the contract based on satisfactory performance during the initial period. Renewal terms will be subject to mutual agreement.

6. Termination of Contract

6.1 Termination for Cause: MSSDS reserves the right to terminate the contract if the supplier:

- Fails to deliver within the stipulated time.
- Delivers substandard or non-compliant products.

- Breaches any terms of the contract.

6.2 Termination for Convenience: MSSDS may terminate the contract for convenience with a 30-day written notice to the supplier. Payments will be made for work completed up to the date of termination.

E. ELIGIBILITY CRITERIA

Applicants must meet the following minimum pre-qualification criteria:

SN	Pre-Qualification Criteria	Supporting Document
1	Registered Legal Entity under relevant statutory authorities	Copy of Certificate of Registration. In case of Company - Enclose Memorandum and Articles of Association along with certificates of incorporation. If company is a public limited then the certificate for commencement of business is also to be enclosed. In case of Partnership Firm - Enclose valid partnership, deed and enclose a declaration on the letterhead. In case of Individual /Proprietorship firm- Enclose a declaration on the letterhead.
2	Average annual turnover of ₹5 crore for the last 3 years (FY 2021-22, 2022-23 & 2023-24).	Audited Balance Sheet for the last 3 Financial Year or CA Certified statement for the same (as applicable) Income Tax Returns filed for the last 2 years (if applicable) Note: MSMEs that do not meet the criteria are exempt from fulfilling the criteria and will be assigned an average score in the evaluation process.
3	No Vigilance/CBI case pending against the firm and it has never been blacklisted by any public or private organization in the past	Affidavit duly attested by the Notary Public (in original) on a non-judicial stamp paper of Rs. 100/-

4	The organization should be headquartered in Meghalaya. They should also have a valid registration certificate. GST, PAN and Valid Trading License from the State of Meghalaya	Copy of Certificates / License to be enclosed.
5	The organization should have 2 (Two) years of experience in the related work ¹	Work Orders or Certificate by authorized signatories.
6	The Organization should obtain documents from manufacturers / dealers fulfilling the requirements in taking full responsibility of technical support, service and organizational support	Certificate by authorized signatories.
7.	Earnest Money Deposit of INR.5.0 Lakhs	Details of EMD Transaction
8.	Capacity of delivery to all Districts	Self-Declaration on Letterhead – A signed and stamped declaration confirming the bidder's ability to deliver to all districts.

Note:

- Applicants not meeting the minimum pre-qualification criteria will be rejected and will not be evaluated.
- All applicants are directed to submit the certificate(s) issued by Chartered Accountant with UDIN mandatorily.
- Additional documents may be called after opening of RFQ, if required

F. EVALUATION CRITERIA AND METHOD OF EVALUATION:

1. The RFQ process involves a two-stage evaluation namely, Technical Proposal followed by the evaluation of the Financial Proposal.

¹ **Experience in related work.**

1. Bidders are to submit their own experience in similar projects "OR" Experience of the Manufacturer/OEM they represent, provided they submit an authorized dealership certificate or a letter of support from the OEM confirming the bidder's capability to supply, distribute, and provide after-sales support.
2. MSSDS acknowledges that experience in supplying all 67 categories may not be available with many prospective bidders. To foster broader participation and fair competition, the RFQ will consider:
 - a. Experience in Similar or Related Categories – Bidders may demonstrate experience in related trades/tools rather than the exact same category.
 - b. Manufacturer/OEM Experience – If the bidder does not have direct experience, they may submit the experience of the Manufacturer/OEM they represent, along with a valid authorization certificate.
 - c. Consortiums or Partnerships – Bidders may collaborate with other firms to strengthen their bid, provided they submit valid agreements outlining roles and responsibilities.

2. Screening of RFQs shall be carried out as per eligibility conditions mentioned above and based on verification of testimonials submitted.
3. RFQ will be evaluated for shortlisting inter alia based on their past experience of handling similar type of project and financial strength of the firm.
4. The proposals of only eligible parties will be evaluated.
5. MSSDS will take up references and reserves the right to pay due attention to the Applicant's performance elsewhere and any past experience.
6. The selection will be on the basis of the following:
 - Compliance with eligibility criteria.
 - Quality and range of tools and equipment offered.
 - Financial competitiveness and value for money.
 - Past experience and reputation in similar projects.
 - Delivery and support capabilities.
7. The qualifying score in the technical evaluation is 70 out of the total score of 100. If adequate nos. of firms do not qualify, then, MSSDS, Shillong may reduce the qualifying score, however, it shall not be less than 60.
8. Financial Proposal will be opened for the applicants those qualified in the technical evaluation only.

G. TECHNICAL EVALUATION:

The Technical evaluation of the proposals shall be carried out in order to determine whether the Bidder is competent enough and whether the bidder's proposal technically qualifies with the requirements set forth in the technical proposal shall be marked according to the following criteria:

SN	Criteria	Score
1	Legal Entity headquartered in Meghalaya	10
2	Experience in related Work	10
	3 years or more – 10 marks 2 years – 7 marks	
3	The Bidder's experience in executing similar projects worth	10
	5Cr and above=10Marks	
	2Cr-5Cr=7Marks	
	1Cr-2Cr=5Marks	
	MSMEs not meeting the benchmarks above = 5 marks	
4	Returns filed for the last 3 years	5
5	Documents from manufacturers / dealers	10
6	Earnest Money Deposit (EMD) submitted	10
7	Average annual turnover in last three years ending 31st March 2024	10

	Above 5 Cr – 10 marks 5 Cr – 7 marks 3 Cr to 4 Cr – 5 marks MSMEs not meeting the benchmarks above = 5 marks. ²	
8	Liquidity (Current Ratio) 2.0 and above – 10 marks Between 1.5 and 2.0 – 7 marks Less than 1.5 – 5 marks MSMEs not meeting the benchmarks above = 5 marks	10
9	Capacity of Delivery to all Districts based on Workplan	5
10	Sample/Presentation/Work Plan	20

A minimum score of 70 is required to be obtained to qualify as per the Technical Evaluation parameters above.

H. FINANCIAL EVALUATION

1. For financial evaluation, the total cost indicated in the Financial Proposal will be considered. The bid price will include all taxes and levies and shall be in Indian Rupees and mentioned separately.
2. The authority will determine whether the Financial Proposals are complete and unconditional. The cost indicated in the Financial Proposal shall be deemed as final and reflecting the total cost of services. Omissions, if any, in costing any item shall not entitle the firm to be compensated and the liability to fulfil its obligations as per the scope of Work within the total quoted price shall be that of the Education.
3. Quotation Format:
 - a. Separate quotations should be submitted for each category.
 - b. Technical Proposal should clearly specify workplan, deliverables and timelines.
 - c. Financial Proposal should clearly specify pricing for each Trade listed in Appendix I.
 - d. Rates quoted should be valid for three years.
 - e. **Instructions:** Bidders do not need to submit separate Technical Bids and Financial Bids for each category they quote. Instead, they should follow the below approach:

² The provision applies only when an MSME does not meet the criteria. If an MSME meets any of the criteria, marks will be assigned based on the designated score slab.

- I. Single Technical Bid – The bidder should submit one consolidated technical bid covering all categories they are quoting for. This should include:
 - a. Compliance with eligibility criteria
 - b. Supporting documents for experience, turnover, and capability
 - c. Product specifications and certifications
 - d. Work plan and delivery schedule
 - II. Separate Financial Quotations for Each Category - While the technical bid can be consolidated, the bidder must quote the price separately for each category they are bidding for. This ensures clear and transparent price evaluation. **Bidders are required to submit the price quotation strictly in the prescribed format; deviations will not be accepted.**
4. Selection:
- a. The lowest quotation for each category will be selected, provided it meets the specifications provided and quality requirements.
 - b. MSSDS reserves the right to reject any or all quotations and engage in further negotiations as deemed necessary
 - c. MSSDS can split the work if it feels that it is required at the L1 rates to the other Bidders.

I. GENERAL TERMS & CONDITIONS

1. The Bidder shall submit only one Proposal (also referred to as RFQ response or RFQ documents herein)
2. The Proposal should be in the specified format in English Language
3. The Proposal shall be prepared in indelible ink. It shall contain no inter-lineation or overwriting, except as necessary to correct errors made by the firm itself. Any such corrections must be attested by the person or persons who sign(s) the Proposals.
4. The Bidder(s) have to agree to all the terms and conditions, stipulated in the tender document.
5. Please note that no counter proposal is acceptable to us and conditional / late quotations are liable to be rejected.
6. Tender document is to be duly signed & sealed on all the pages as a token of having accepted all the terms and conditions (no thumb impression is to be affixed).
7. Tender sent by fax/telex/cable/electronically shall be ignored.

8. The Bidder must submit the Earnest Money Deposit (EMD) of INR.5,00,000.00 (Rupees Five Lakhs only) in the form of DD/BG/FD³ drawn on any nationalized bank, pledge in favour of the Meghalaya State Skill Development Society.
9. The EMD of the all tenderers shall be returned to them without any interest, whatsoever.
10. Bidders must clearly specify the **brand name** of each tool in their quotation. In cases where no specific brand is available, please indicate “**Local**” or “**Customised**”, as applicable.
11. The Bidder should specify all required details in Financial Proposal both in number as well as words. If there is a discrepancy between words and figures, the quote in words shall prevail.
12. The Bidder(s) may quote the rate in Indian rupees only.
13. The rates quoted by the applicant must remain valid upto 180 days from the date of submission of the RFQ. In case of delay in Award of Contract, the bidder(s) may be requested to extend validity period, if mutually agreed upon.
14. No work will be allotted to non-tribal bidder, contractors, Suppliers, firms cooperative societies etc. except under a valid trading license issued by the Autonomous District Council of the respective districts of Meghalaya.
15. Within seven (7) days from date of the issue of notification of award by MSSDS, the successful bidder(s) shall furnish Performance Security to MSSDS for an amount equal to five percent (5%) of the total value of the Contract, valid up to sixty days after the date of completion of all contextual obligations by the supplier. including the warranty obligations. In case the agency fails to deposit the performance, security work order shall be cancelled.
16. The EMD will be refunded to the successful bidder(s) after receiving the Performance Security.
17. The Validity of Contract will be 3 years from the time of allotment of work on signing an Agreement.
18. In case the Bidders/ tenderer furnish false information their tenders/ bids will be rejected and their security deposit/EMD will stand forfeited.
19. At any time prior to the date of submission of bid, MSSDS may, for any reason, whether at its own initiative or in response to a clarification from a prospective

³ Terms for FD

1. The Fixed Deposit (FD) must be lien-marked in favour of MSSDS.
2. The lien confirmation letter from the issuing bank must be submitted along with the FD receipt.
3. The FD must remain valid for at least 6 months from the date of bid submission.
4. The FD must be issued by a nationalized or scheduled commercial bank in India.
5. MSSDS reserves the right to invoke and encash the FD in case the bidder fails to comply with the tender conditions.
6. Along with the FD receipt, bidders must submit an undertaking stating that the FD has been pledged to MSSDS and will not be withdrawn without prior approval.

bidder, modify the bidding documents by an amendment and it will be uploaded in the office website. All prospective bidders/ tenderer is requested to visit website regularly during this period. MSSDS may at its discretion, extend the date and time for submission of bids

20. Notwithstanding the above, MSSDS reserves the right to accept or reject any of Proposals at any stage without assigning any reasons thereof and / or cancel the process and reject all proposals at any time prior to the award of Contract.

21. This Request for RFQ shall be interpreted, enforced and otherwise governed by the Laws of India, without reference to its conflict of law principles and the Courts at Shillong, India, shall have the exclusive jurisdiction in respect of matters arising in relation to this Request for RFQ.

22. List of Trades, Tools & Specifications:

- Bidders are not required to quote for all 67 categories. They may quote for as many categories as they are qualified to supply, based on their expertise, manufacturing, and distribution capacity.
- However, each category will be evaluated separately, and selection will be made based on the best value for money, compliance with technical specifications, and adherence to delivery timelines.
- The RFQ is structured to allow broad participation from vendors specializing in specific trades, ensuring fair competition and avoiding "Limited Participation." Vendors are encouraged to bid for categories where they can ensure quality, timely delivery, and after sales service.

J. CONDITION UNDER WHICH RFQ IS ISSUED:

The RFQ is not an offer and is issued with no commitment. MSSDS reserves the right to withdraw RFQ and or vary any part thereof at any stage. MSSDS further reserves the right to disqualify any party, should it be so necessary at any stage.

K. THE REQUEST FOR QUOTATION IS TO BE SUBMITTED IN THE MANNER PRESCRIBED BELOW:

All information as detailed below is to be submitted in hard copies in sealed envelope:-
