A. BACKGROUND

Today in this disruptive world, technology is deep rooted in everything that we do. The pace at which technology is evolving is extremely fast. For example, what in yesteryears technology used to evolve in a decade, is now seen to evolve in less than a year. Keeping that in the mind, this project aims to empower students of the State by assisting them towards enhancing their skills and capabilities to work around the conventional way of learning and adopting technology in order to face the Digital Disruption to deliver value across the stakeholders. One of the areas under Digital Skilling is Enterprise Resource Planning (ERP) platforms which has a high demand in many organizations including Government offices. This will not only make them employable in industries, services and business sectors but also in the government sector. It has the built-in resilience to adapt itself to the market dynamics on a continuous basis so that the target groups are not deprived of the professional acumen demanded by the changing / emerging market needs and opportunities for employment at domestic as well as international levels. The project has been made more comprehensive keeping in view the emerging trends of employment in the era of economic reforms, liberalization, digitalization and globalization.

An amount of Rs.2.5 Crore (Rupees Two Crore Fifty Lakhs only) has been earmarked for the same under the State Plan Fund.

B. AIMS & OBJECTIVES

The objectives of the scheme are to assist students through special coaching in ERP Platform in module of their interest.

The Education Partner will be selected to impart the above coaching to the interested eligible youths/ students from the State of Meghalaya.
